- Maintenance jobs in WH
- In Bloom update
- Co-op notice board update
- AOB

Notes and updates from 10th Mach meeting

Co-op notice board and CCTV camera

- Meeting with Mike Stone, Tony and Arlene. He knows what we want and will get a quote out. **Tony waiting for notice board paper work from Co-op.**

Youth work

- **Phil to apply for police funding in May for 2021 year. He will receive an email letting him know when funding is open again.**
- Tony has organised a CMAS presentation for 31st March. Some members of the PC have been invited plus Up Hatherley PC, the police, Morrisons and Brizen Trustees. **Cancelled due to Covid 19**

Parish Magazine

- Agreed at the 9th January PC meeting that the annual PC magazine will go ahead.
- Tony has requested input from various sources. The magazine will be published after the election to ensure it is not perceived as political.
- Arlene has asked the person who co-ordinates another publication she is involved in, what file type and sizes are needed for those inputting adverts into the magazine. **Done**

Police

- Email sent to Emily Roberts to ask for the names of the PC's PCSOs and their contact email addresses. Have asked if they can attend every 6 months and that they send me a monthly update email. **They replied to**

say they will attend when possible and we will get a monthly email update.

Tree planting

- David has confirmed GCC highways own the green spaces where we want to plant the 7 trees. They have already planted 2 of their own and at the moment haven't given permission for us to plant where we were going to. A meeting has been arranged for 17th March, on site, to discuss and agree a way forward. Update - Successful meeting, agreed which trees and where they would go but due to COVID 19 planting put on hold till November

AOB

- Agreed that the memorial plaques for John and Peter will go on the new friendship benches once installed. Update - the Salisbury Ave play area benches are being renovated and the plaques will be placed on those.
